Eric

We are still waiting for the GSR test results, but in the meantime the DOJ has just produced the following records:

- DOJ Physical Evidence Examination Report
- DOJ Physical Evidence Submission Form
- Photos of DOJ sealed evidence packages
- Possible phone extraction report
- FARO files
- Over 5,000 + files total

I know discovery is closed, so I would like to talk to you about these records and how we want to handle it. Do you have time to discuss? I'm tied up in mediation and depositions all week, but I may be able to take a break to discuss. Let me know your availability.
